

# Certificate Supplement

Description of the vocational education and training programme for  
**Complex lifting jobs for riggers**

---

## **Title of certificate in Danish**

Uddannelsesbevis for **Komplekse løfteopgaver for riggere**

---

## **Translated title of the certificate**

Complex lifting jobs for riggers

---

## **Profile of skills and competences**

Based on a job instruction, a trained rigger is able unsupervised to plan and execute complicated lifting jobs under difficult access conditions, with due consideration of relevant safety aspects.

A rigger is able to perform hooking, rigging and lifting jobs using snatch blocks, pulleys and winches.

When planning lifting jobs, the rigger is able to determine where and how the load should be hooked, determine the necessary angles of spread of the hooking gear and calculate anchor point loads and the position of winches in relation to the position of the load.

When executing inspection routines of the lifting gear used in rigging, the rigger can apply his or her knowledge of SWL markings and applicable rules on sling loads, safety factors and rejection limits.

---

## **Range of occupations accessible to the holder of the certificate**

A rigger trained in complex lifting jobs is able without supervision and under difficult access conditions to perform hooking, rigger and lifting jobs by means of snatch blocks, pulleys and winches

---

# Certificate Supplement

Description of the vocational education and training programme for

## **Complex lifting jobs for riggers**

---

### **Duration and mode of education and training**

The total duration of the education programme is 10 days

The education programme has taken place at a VET-institution which according to the resolutions of the legislation is approved by the Ministry of Education to offer and implement the education programme.

---

### **Level of certificate**

The training programme is a full vocational education and training programme, equivalent to level 3 in the Isced system (Isced 1997).

---

### **Access to the next level of education/training**

The education and training described in this certificate gives access to continuing and further vocational education and training in Denmark.

---

### **Name and status of the body awarding the certificate**

The certificate of the education programme is issued by the VET-institution according to the regulations on the education programme laid down by law.

In pursuance of an order issued by the Danish Ministry of Education, the awarding authority is authorised to issue a certificate concerning this education and training program.

---

### **Grading scale**

A "passed" scale is used on the certificate issued by the institution of training and education
