

Certificate Supplement

Description of the vocational education and training programme for
Heat-generating gas-fired boilers: Service and checks

Title of certificate in Danish

Uddannelsesbevis for **Service og eftersyn på varmeproducerende gasfyrede kedel**

Translated title of the certificate

Heat-generating gas-fired boilers: Service and checks

Profile of skills and competences

The certificate holder is able to

- 1) perform checks and maintenance of gas-fired boiler systems including burners, hot-water tanks and outlet, fresh air and room ventilation systems as well as gas installations related to the boiler systems in compliance with manufacturers' instructions and regulatory requirements and to replace wearing parts and defective components and fittings;
- 2) prepare documentation of the service performed and provide guidance to customers or maintenance staff about safety and environmental aspects and about service intervals and general maintenance and operation of gas-fired boiler systems; and
- 3) perform the various tasks involved unsupervised.

The training may be based on energy systems below 135 kW or above 135 kW.

Range of occupations accessible to the holder of the certificate

Certificate holders perform checks and maintenance of heat-generation gas-fired boiler systems in accordance with regulatory requirements and manufacturers' instructions.

Certificate Supplement

Description of the vocational education and training programme for

Heat-generating gas-fired boilers: Service and checks

Duration and mode of education and training

The total duration of the education programme is 3,2 days

The education programme has taken place at a VET-institution which according to the resolutions of the legislation is approved by the Ministry of Education to offer and implement the education programme.

Level of certificate

The training programme is a full vocational education and training programme, equivalent to level 3 in the Isced system (Isced 1997).

Access to the next level of education/training

The education and training described in this certificate gives access to continuing and further vocational education and training in Denmark.

Name and status of the body awarding the certificate

The certificate of the education programme is issued by the VET-institution according to the regulations on the education programme laid down by law.

In pursuance of an order issued by the Danish Ministry of Education, the awarding authority is authorised to issue a certificate concerning this education and training program.

Grading scale

A "passed" scale is used on the certificate issued by the institution of training and education
