

# Certificate Supplement

Description of the vocational education and training programme for

## **Mobile crane: B certificate**

---

### **Title of certificate in Danish**

Uddannelsesbevis for **Mobilkran, certifikat B**

---

### **Translated title of the certificate**

Mobile crane: B certificate

---

### **Profile of skills and competences**

In accordance with the Danish Working Environment Authority order on crane operator licences, applicable rules and regulations on lifts and the regulations set out in the Danish Health and Safety at Work Act, the certificate holder is able to

1. perform all standard mobile crane jobs falling within the scope of the B certificate, using applied theory on stability, wind and weather conditions, crane diagrams, job types, loads and hooking methods;
  2. perform various other assignments such as installing the crane correctly and selecting and using appropriate, approved hooking and lifting equipment, etc;
  3. participate in the organisation and performance of simultaneous lifts by two cranes, and rig and derig additional equipment, eg fly jibs;
  4. direct crane operations using hand signals, operate a crane in accordance with hand signals given by others, and use radio communication;
  5. perform preventative maintenance of cranes and lifting tackle and understand the rules applying to checks, reports and crane logs.
- 

### **Range of occupations accessible to the holder of the certificate**

Certificate holders typically work in enterprises specialising in crane operations, eg crane companies and stevedore companies. Mobile crane operators work very independently and their work locations may change relatively often, depending on where jobs are to be performed. Their typical work assignments include lashing, strapping and moving goods.

# Certificate Supplement

Description of the vocational education and training programme for

## **Mobile crane: B certificate**

---

### **Duration and mode of education and training**

The total duration of the education programme is 20 days

The education programme has taken place at a VET-institution which according to the resolutions of the legislation is approved by the Ministry of Education to offer and implement the education programme.

---

### **Level of certificate**

The training programme is a full vocational education and training programme, equivalent to level 3 in the Isced system (Isced 1997).

---

### **Access to the next level of education/training**

The education and training described in this certificate gives access to continuing and further vocational education and training in Denmark.

---

### **Name and status of the body awarding the certificate**

The certificate of the education programme is issued by the VET-institution according to the regulations on the education programme laid down by law.

In pursuance of an order issued by the Danish Ministry of Education, the awarding authority is authorised to issue a certificate concerning this education and training program.

---

### **Grading scale**

A "passed" scale is used on the certificate issued by the institution of training and education
