LEAN value stream mapping for operators

Title of certificate in Danish

Uddannelsesbevis for **Lean-kortlægning af værdistrøm for operatører**

Translated title of the certificate

LEAN value stream mapping for operators

Profile of skills and competences

After completed training, a holder of this certificate will be able to

1. work together with others in mapping production activity chains and using value stream analysis methods to eliminate activities that do not create value.
 2. map material and information streams and cross-cutting activities against a backdrop of an enterprise's production flow and with a focus on value-creating activities.
-

Range of occupations accessible to the holder of the certificate

Holders of this certificate will typically work with mapping value chains in connection with the implementation of LEAN production, especially planning and processes as they relate to internal and external customers and suppliers.

Certificate Supplement

Description of the vocational education and training programme for

LEAN value stream mapping for operators

Duration and mode of education and training

The total duration of the education programme is 3 days

The education programme has taken place at a VET-institution which according to the resolutions of the legislation is approved by the Ministry of Education to offer and implement the education programme.

Level of certificate

The training programme is a full vocational education and training programme, equivalent to level 3 in the Isced system (Isced 1997).

Access to the next level of education/training

The education and training described in this certificate gives access to continuing and further vocational education and training in Denmark.

Name and status of the body awarding the certificate

The certificate of the education programme is issued by the VET-institution according to the regulations on the education programme laid down by law.

In pursuance of an order issued by the Danish Ministry of Education, the awarding authority is authorised to issue a certificate concerning this education and training program.

Grading scale

A "passed" scale is used on the certificate issued by the institution of training and education
