

Certificate Supplement

Description of the vocational education and training programme for
Paver

Title of certificate in Danish

Uddannelsesbevis for **Brolægger**

Translated title of the certificate

Paver

Profile of skills and competences

A trained paver is able unsupervised and in compliance with applicable health and safety regulations to carry out all work processes that are common to the trade. A trained paver is able unsupervised to plan, organise and carry out work in a professional and economical way in compliance with current practices, norms, rules and regulations.

Range of occupations accessible to the holder of the certificate

Trained pavers carry out paving jobs including marking and setting off on site, working with natural stone and other materials, pitching kerbstones, slab paving, dressing, cutting, adjustment as well as foundation adjustment and repair and maintenance jobs.

Pavers work for paving firms, local authorities and construction contractors.

Certificate Supplement

Description of the vocational education and training programme for

Paver

Duration and mode of education and training

The total duration of the education and training programme varies between 3 years and 6 month(s) and 3 years and 11 month(s), with 50 weeks of formal education and training and 127-153 weeks of on-the-job training.

Danish vocational education and training programmes are alternating programmes, which means that the education and training activities alternate between education and training at a school and on-the-job training in an enterprise.

Level of certificate

The training programme is a full vocational education and training programme, equivalent to level 3 in the Isced system (Isced 1997).

Access to the next level of education/training

The education and training described in this certificate gives access to level 4 (Isced) education and training in Denmark.

Name and status of the body awarding the certificate

Entreprenørbranchens Fællesudvalg
Bygmestervej 5, 2. Sal
2400 København NV

In pursuance of an order issued by the Danish Ministry of Education, the awarding authority is authorised to issue a certificate concerning this education and training program.

Grading scale

7-point grading scale

On certificates issued after 1 August 2007, the 7-point grading scale is used.

On certificates issued before 1 August 2007, the 13-point grading scale is used.

The 13-point grading scale was replaced by the 7-point scale as per that date.
